- The Fair of Women Entrepreneurs has as main objective to contribute to women's entrepreneurship in order to increasingly strengthen their position in society.

The event is created by N `TAMU, an association of women entrepreneurs who have worked for the cause of women.

The fair takes place on days 20,21 and 22 April, the Parque dos continuadores in Maputo.

In Mozambique

- As in the world, statistically most of the population is female, as such women are the larger market. Thus women have interest in most sectors of the economy, Hence this exposition women entrepreneurship.
