## ABOUT US

LEORON Professional Development Institute is the leading corporate training company in the emerging markets of Europe, Africa and Asia. Founded in Sweden to serve the training needs of the manufacturing sector that was looking to expand globally during the 90's, it has developed into one of the most comprehensive training institutes in the EMEA region, offering training solutions in all strategic corporate functions including corporate finance, HR, SCM, operations and engineering. With offices in Sweden, Dubai, Riyadh, Skopje, Accra and Almaty, we run close to 500 courses and train over 3000 professionals annually across the EMEA region.

As a leading Competency Based Training institute, our commitment is to help increase the Competitiveness of our clients by strengthening the skills, competencies and abilities of their employees, assist with the Capacity Building programs and assure continuous Competency upgrade by providing them with knowledge, practical tools and learning systems that are unmatched in the market.

LEORON Professional Development Institute mission is to help corporate clients and government entities worldwide in strengthening the skills, competencies and abilities of their people by providing them with top quality professional training programs, conducted by unrivalled global experts and implemented by the best training managers in the industry.
